

Dear Friends:

Our Christian foundation is being rocked and splintered by those who seek to strip away the rights of all Christians at every turn. **Our neighbor next door, the Alberta Human Rights Commission, fined a pastor \$7,000 for speaking out publicly against homosexual behavior and ordered him to cease “publishing in newspapers, by email, on the radio, in public speeches, or on the internet, any future, disparaging remarks about gays and homosexuals.”** The United States will soon follow Alberta’s lead if we fail to act quickly to defeat this anti-Christian agenda in the courts. With your help, whether we are writing demand letters or fighting all the way to the Supreme Court, we will not grow weary in doing what you have entrusted us to do – defend your religious liberty in the courts.

As a non-profit, we do not charge for our services. And since we do not receive funding from major corporate or large benefactors, we must count on concerned Americans who care deeply about the moral state of our country and are willing to be a financial partner with Advocates for Faith and Freedom. During our staff devotions, we ask God to provide for your needs as well as our own. We believe God will continue His provision for you and our ministry. **Together, we can make a difference and protect our precious freedom.**

“I am exceptionally thankful to Advocates for Faith and Freedom for stepping in to help my daughter, Paige. Advocates was an answer to our prayers.”

These words, as expressed by Heather Allen, mother of 10 year old Paige Allen (*see front page of newsletter*), echoes the sentiments we often hear from the clients we at Advocates for Faith and Freedom are defending. From preserving marriage as the union between a man and a woman, to fighting for the protection of our children and teachers in public schools, our work in the courts would not be possible without **YOU!**

Please help Advocates by making a financial contribution to support the needs of this ministry at such a crucial time. A monthly commitment of \$10, \$20, \$50 or more will help in our ongoing efforts fighting for our religious liberty. Donate online at www.faith-freedom.com, or mail your most generous contribution in the self addressed envelope.

“...a cord of three strands is not quickly broken.” (Eccl. 4:12 NIV). In much the same way, as we partner with you in defense of religious freedom, our impact is greatly multiplied.

Sincerely,

Robert Tyler, General Counsel
